ALEXANDER HILL GRAY—Deep lemon-yellow intensifying as the blooms develop; perfectly formed flower with high-pointed center.

COLUMBIA—Vigorous grower of a true pink shade, deepening as it opens to a glowing pink.

CRUSADER—The growth is heavy and flower stem strong. Blooms are big and double, rich velvety crimson. A free flowering red rose that is a wonder.

DOUBLE WHITE KILLARNEY—Pure white sport from White Killarney, has much larger bud. 75c each.

DUCHESS OF ALBANY—Sport from La France, retaining all characteristics of the type, with the bloom three or four shades darker.

DUCHESS OF WELLINGTON—Long shapely buds, with petals of great substance, color an intense saffron-yellow stained deep crimson, delightfully fragrant and very free flowering.

EDWARD MAWLEY—Big, deep-petaled flowers of strong fragrance. Fine dark crimson.

ETOILE DE FRANCE—Flowers very large and borne on good, long, stiff stems; a lovely shade of clear crimson velvet; very fragrant.

FRANCIS SCOTT KEY—Flowers from large to very large, with sixty or more petals opening to high center. Magnificent deep red rose.

FRAU KARL DRUSCHKI—(White American Beauty or Snow Queen.) An everywhere hardy, vigorous grower; splendid long buds, magnificent snow white blooms with large saucer-shaped petals. 75c each.

FRANK W. DUNLOP—A free flowering, brilliant, deep rose-pink, very double and highly scented. 75c each.

GENERAL SUPERIOR ARNOLD JANSSEN—Deep, glowing rose, of brightest carmine color. Flowers large size, full and fragrant.

HILL'S AMERICA—Color a glowing deep, rose-pink. Buds long and pointed, opening to a high pointed center and very full flower.

HELEN GOULD—One of strongest growing and freest blooming Hybrid Teas; rich, glowing crimson. Buds long and pointed, forming full double blooms.

HADLEY—Deep velvety crimson, retaining its brilliancy at all seasons. The variety is duple and buds well formed. In fragrance excelled only by the American Beauty.

HOOSIER BEAUTY—Glowing crimson-scarlet with velvety crimson shadings. The bud is long, opening into magnificent bloom, dazzling in its velvety brilliance.

JONKHEER J. L. MOCK—Strong growing Hybrid Tea. Flowers of enormous size, magnificently formed, deep and double, exquisitely fragrant; color bright rich pink, faced carmine.

KAISERIN AUGUSTA VICTORIA—A vigorous grower, buds pointed, flowers extra large, and very double. Color creamy white.

KILLARNEY—Splendid rose, beautiful pointed buds and extra large flowers, bright coral pink, fragrant and beautiful.

LADY ASHTOWN—One of the best garden roses and a fine long lasting cut flower. Flowers large, of a pleasing carmine-pink shading to a golden-yellow base, fragrant and free-flowering.

LADY HILLINGDON—Long, slender, pointed buds of deep apricot-yellow; very free flower-

ing and a good grower; striking decorative rose.

LADY ROBERTS—A rich golden, yellow-rose. **MAD. BUTTERFLY**—Ophelia-like in appearance, but far deeper and richer in color. Very attractive.

MAD. CAROLINE TESTOUT—Charming variety of LaFrance type; flowers large and double; bright satiny pink with rose center, strong grower; free flowering and fragrant.

MADAME JENNY GUILLEMOT—Deep saffron-yellow, opening canary with dark golden shadings; buds long and pointed, petals and blooms immense, beautiful upright grower and free bloomer.

MRS. AARON WARD—Coppery-orange in open bud, golden-orange when partly developed, pinkish-fawn of lovely shade when fully open. Color effect of the whole flower is Indian yellow.

MRS. CHAS. RUSSELL—Pink American Beauty, enormous in size, which lines into beautiful shape in flower, stem and foliage. 75c each.

OPHELIA—Salmon-flesh, shaded rose; large and of perfect shape; excellent habit, flowers standing up well on long, stiff stems.

PREMIER—Already too well known to need description. Deep rose; fragrant; thornless; free bloomer.

RADIANCE—Splendid and popular rose; deep pink in color. Produces heavy canes and fine blooms.

RED RADIANCE—A glowing crimson sport of Radiance with all the magnificent qualities of the parent, enormous globular flowers on heavy canes, dazzling, crimson-scarlet.

RHEA REID—Long buds, free-blooming and exquisitely fragrant, rich, dark velvety red.

RED LETTER DAY—A rose of infinite charm. Its velvety, scarlet crimson buds and fully opened cactus-like flowers never fade, as reflex of petals is satiny crimson-scarlet.

REV. F. PAGE ROBERTS—A rose of remarkable beauty in form and color. Copper-red buds of great length, opening to golden-yellow blooms stained outside with red, fully double and very large; fragrant. Strong branching plant with healthy foliage. \$1.00.

ROSE MARIE—A very fine rose, remarkably free-flowering, producing large, long ideal buds, which develop into full flowers of beautiful form, of a most pleasing clear rose-pink.

SOUVENIR de CLAUDIUS PERNET—A most striking sun-flower-yellow, deeper in the center without any color blending, which is retained without fading even in the warmest weather. Vigorous grower of erect branching habit; beautiful brilliant green foliage, long pointed buds of exquisite shape, carried on long, stiff stems. Very large full flowers with elongated deep petals, a beautifully formed bloom. 75c each.
